

## Carl Ford's Live Demos at Totally Turning 2022

### Web Effect Wide Rim Bowl with Spin Art

*Saturday, Rotation 4, 3:30 pm – 5 pm, Room: Broadway 1/2*

Carl will show how to turn a 10" diameter by 1-1/2" tall wide rim bowl from air or kiln dried Hard Maple. He will then show how to decorate the front with wood dyes, web effect spray paint, spin art and acrylic paints. The back will be natural with NO SANDING wire brush technique.

This demo will cover the following: Bowl turning – NO SANDING techniques – Use of airbrush and Chroma Craft wood dyes – Web effect spray paint and alternatives – How to “spin out” acrylic paint safely on the lathe – Painting a spiral in the center of a bowl.

### Wide Rim Wood Bowl with Spiraling Tool

*Sunday, Rotation 2, 10 am – 11:30 am, Room: Broadway 1/2*

Carl will show how to turn a 10" diameter by 1-1/4" tall wide rim bowl from air or kiln dried Hard Maple. He will then show how to decorate the front with Sorby Spiraling Tool and wood dyes. The back will be natural with NO SANDING coves.

This demo will cover the following: Bowl turning – NO SANDING techniques – Sorby vs Crown Spiraling Tool – Large vs small spiraling tools – Spiraling vs texture wheels – How to use spiraling tools on side grain and get good results – Use of airbrush and Chroma Craft wood dyes.

### Iridescent Wide Rim Bowl with Spin Art

*Sunday, Rotation 3, 1:30 pm – 3 pm, Room: Saratoga Ballroom 3*

Carl will show how to turn a 10" diameter by 1-1/4" tall wide rim bowl from air or kiln dried Hard Maple. He will then show how to decorate the front with iridescent paint and spin art. The back will be natural with NO SANDING beads and coves.

This demo will cover the following: – Bowl turning – NO SANDING techniques – Jo Sonja iridescent paints, – How to “spin out” acrylic paint safely on the lathe – Painting a spiral in the center of a bowl.

This is NOT cloud painting! No airbrush is needed.

## Crown Verses Sorby Spiraling & Texturing Tool

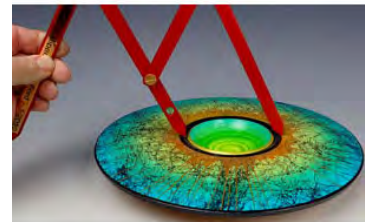

© APRIL 13, 2020 (MODIFIED: FEBRUARY 27, 2022) ▶ Meta 1 COMMENT

Meta Description: Carl likes the Crown Spiraling tool better than the Sorby. Why? Wheel comparison chart. How to add a knob to improve the Crown or Sorby tool.

**Crown Sorby Crown Mini Sorby Micro**

**Tools** (The links in this hand out are live at [carlford.info/blog/2022/02/carl-at-2022-totally-turning/](http://carlford.info/blog/2022/02/carl-at-2022-totally-turning/))

- 2-1/2" Forstner Bit. Steelex brand, etc on Amazon.
  - ♦ See Carl's "[Mounting Plates and Shallow Bowls](#)" blog entry.
- 5/8 Jordan V Bowl Gouge, 1/2 Oneway Bowl Gouge with Stirt Grind, Left & Right Stirt Shear Scrapper, 88 degree Spear Point Tool.
  - ♦ See Carl's "[Travel Tool Set](#)" blog entry and "[Carl's Modern Woodturning Tool Set](#)" blog entry.
- "Veritas Scrapper Burnisher for Turners". ♦ [Lee Valley](#). The one for "Turners".
- Golden Ratio Calipers. ♦ See Carl's "[Golden Ratio Calipers](#)" blog entry.
- Sorby or Crown Spiraling Tools & Burnisher.
  - ♦ See Carl's "[Crown Verses Sorby Spiraling & Texturing Tool](#)" blog entry.
- Martel 4 Way Caliper.
  - ♦ Carl is using the SMALL one in his Totally Turning 2022 demos.
  - ♦ See Carl's "[Martel 4 Way Caliper](#)" blog entry.
- 4" Wire Brush. ♦ Recommend by John Jordan. Carl has old stock from Walmart.
  - ♦ Black & Decker, Model # 70-116, Paint & Rust Stripper.

## Paints & Dyes (Stains)

- Airbrush Chroma-Craft Wood Dyes, Web-FX Paint.
  - ♦ See Carl's "[Airbrushed Wood Dyes & Web Fx Paint Demo](#)" blog entry.
  - ♦ See Carl's "[Pistol Style Airbrush](#)" blog entry.
  - ♦ Chroma-Craft Wood Dyes do NOT penetrate. Others often penetrate to much!
- Golden (brand) Acrylic Paints & Paint brushes. Amazon or DickBlick.com.
  - ♦ See Carl's "[Paint Brushes & Acrylic Paint](#)" blog entry.
- Jo Sonja (brand) Iridescent Paints. Amazon or DickBlick.com.
  - ♦ Carl uses 2 oz bottles as is. No flow medium. He has never tried the 20 ml tubes.
  - ♦ See "Jo Sonja Wood Painting with Mick Hanbury". On [YouTube](#). English with German subtitles.
  - ♦ Beware! Chroma-Craft "Acrylic Cloud Paint" does NOT work! It is to thin.
