## Carl's Sanding Backup Pads

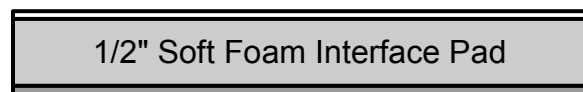

I like Sanding Backup Pads that are thin and HARD. I add interface pads to make them softer as needed.

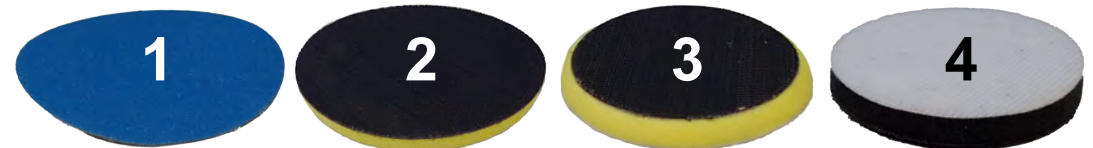

Or

Or

## Blue Flex Sanding Disks & Interface Pads

◆ Use on Dry Wood

1 = Vince's 2-3/8" or 3-3/8" Blue Flex Disk - 80, 120, 180, 240 Grit

2 = Vince's 2-3/8" or 3-3/8" Yellow Tapered Firm Interface Pad

3 = Vince's 2-3/8" or 3-3/8" Yellow Radius Firm Interface Pad

4 = Amazon 2" or 3" Soft Foam Interface Pad - 1/2" Thick

◆ See [carlford.us/blog/2014/11/blue-flex-sanding-disks/](http://carlford.us/blog/2014/11/blue-flex-sanding-disks/)
